

ESCAPE

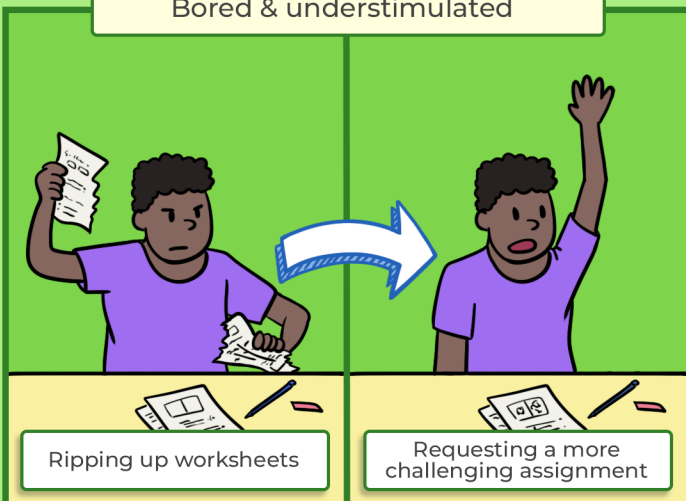

Overwhelmed by transitions

Screaming when it's time to switch tasks

Calmly redeeming a "break card"

Bored & understimulated

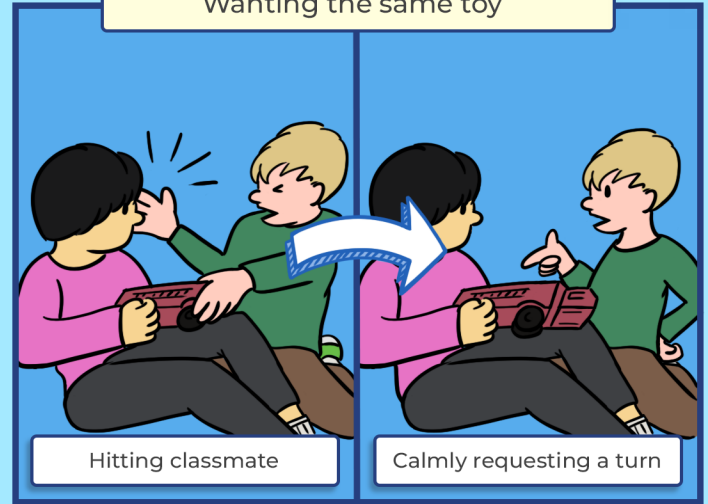

Ripping up worksheets

Requesting a more challenging assignment

TANGIBLE

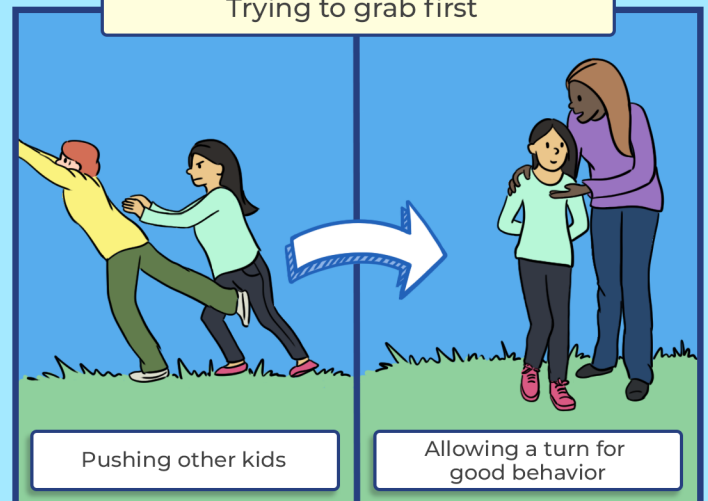

Wanting the same toy

Hitting classmate

Calmly requesting a turn

Trying to grab first

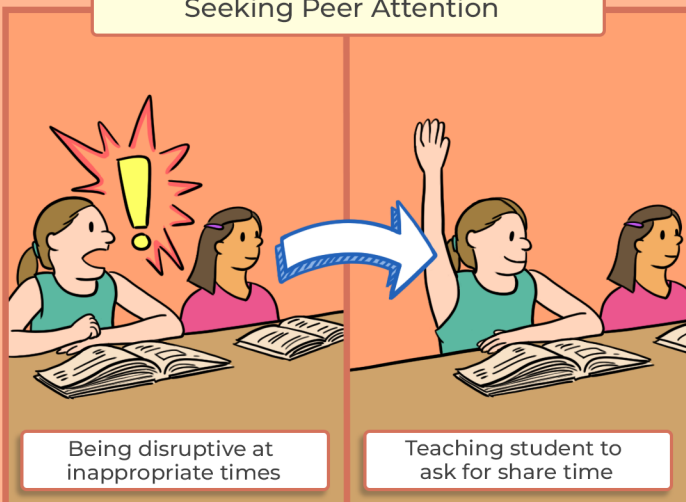

Pushing other kids

Allowing a turn for good behavior

ATTENTION

Seeking Peer Attention

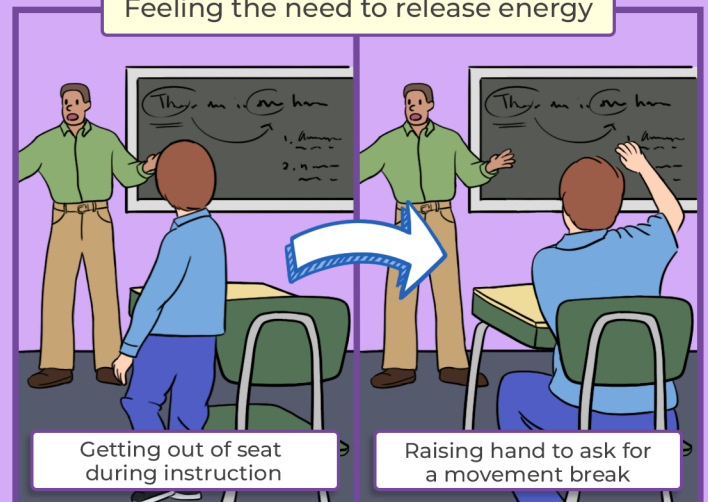

Being disruptive at inappropriate times

Teaching student to ask for share time

SENSORY

Feeling the need to release energy

Getting out of seat during instruction

Raising hand to ask for a movement break
